

WORLD BOOK DAY

How to dress up as Alex Sparrow:

1. Get an adult to supervise cutting and pinning!
2. Wear normal school uniform.
3. Stick this whole page to cardboard to make stronger, then cut out the school badge and fart cloud.
4. Attach the badge over your school logo with a safety pin or double-sided tape.
5. Fold the pointed end of the fart cloud around one side of a thin plastic headband (so when wearing the headband, it will look like the cloud is coming out of your ear).
6. Secure with tape or glue.
