GEOGRAPHY

1. Research the eco climates they would have faced travelling through forests, by the river and over mountains.
2. Austria is part of Europe. What countries surround it? Draw a map of Austria and the countries surrounding it now.
3. Map work – Jakob and Herr Engel follow a map and use directions. Try plotting a route using a map and giving directions.
4. Write blog posts about Vienna as if you're travel agents and are convincing people to go on holiday there. (Cross curricula with English)
