MICHAEL

THE **AMAZING** MIND-READING
SAUSAGE DOG

Hello Readers!

My name is Terrie Chilvers and I wrote *Michael the Amazing Mind-Reading Sausage Dog* ! I'm an author and I love writing funny books for readers just like you.

I've always been a fan of sausage dogs and the way they strut around like they're big dogs even though they're really small. It got me wondering what their dreams and ambitions might be, and what special talents a sausage dog might have!

I also wanted to show anyone reading Michael's story that you can achieve big things even when you're small and even when it might feel hard. Michael has a rollercoaster ride of successes and failures but with his self-belief and the help of his best friend, Stanley Big Dog, he's able to stay strong and follow his dream.

You might have also spotted another name on the book alongside mine – that's Tim Budgen and he did all the illustrations. Tim had to draw a LOT of different dog breeds – see how many you can spot in the book!

Happy Reading!

Terrie
